Module 2 Annotated Bibliography (Assignment Instructions)

Topic Selection:

Check Pre-lab Activity 2.1 in Moodle and **choose ONE topic** on social justice. Your topic is broad and general, so you will need to **narrow down your topic** specifically through the Lab Activity 2.2. *Choose your topic carefully because you will use the same topic for your research paper.*

The Assignment:

This paper should be 1000-1100 words (Approximately 200 words per annotated bibliography, double-spaced). You must apply the pattern of the annotated bibliography taught in class.

- Find five (5) sources on your topic. You should try to include a variety of source types (books, e-books, reports, case studies, statistics, journals, newspapers, government documents, etc.). Do not use five websites.
- Each annotated bibliography has one summary paragraph that should be approx. 200 words. This is NOT a regular summary, so follow your professor's lessons carefully.
- Use APA (7th edition) style.
  - Include the bibliographic information at the top of each annotated bibliography. Then sort your annotated bibliographies by alphabetical order by the author's last name.
- Submit your final paper file to the designated Dropbox (Turnitin) in Moodle.
- Your facilitator will let you know the exact deadline of this assignment.

[NOTE]:

- In most academic writing, only use credibility rating levels 3-5.
- Use your learning coach sessions or the Writing Center services.
  - ALL drafts should be uploaded to M2 Ongoing Dropbox.
- Grammar/spelling mistakes must be avoided.
